

Home Mortgage Disclosure Act Notice

The Home Mortgage Disclosure Act (HMDA) requires depository and non-depository lenders to collect and publicly disclose information about housing-related loans and applications for such loans, including several applicant/borrower characteristics.

The HMDA data about our residential mortgage lending are available online for review. The data show geographic distribution of loans and applications; ethnicity, race, sex, age, and income of applicants and borrowers; and information about loan approvals and denials. HMDA data for many other financial institutions are also available online. For more information, visit, the Consumer Financial Protection Bureau's Web site (www.consumerfinance.gov/hmda).
